Dear Dr. Myers,

It was a pleasure to represent AACD at the April 19, 1991 meeting of the National Coalition to Support Sexuality Education.

"Building support for sexuality education and responding to the opposition," was the major focus of the agenda. Over twenty representatives from Coalition organizations participated at the meeting.

I am enclosing a summary of meeting highlights and copies of materials which were distributed.

Sincerely,

Mary Ellen Arrington  
President, AHEAD
